Dr. Vierra,

I am requesting official notice from the 3 F's in writing because I do not trust you. You can also have them send cooresponsance to the Board directly. I am specifically requesting in writing from the 3Fs law firm that they generated you and Ms. Cook's cuurent signed contracts that uou shared with us. You are to provide this by the end of the work day Thursday, March 21st. I am confident this should not be another delayed request as you stated this information to be factual.

Thank you.

Dr. Ruffin

In response to recent inquiries about the representation regarding superintendent and general counsel contracts, this correspondence serves to inform the board that the law firm of Fagen, Friedman and Fulfrostr represented the Board in both contracts.

Hello Dr. Vierra,

As stated before, I am concerned whether the District was competently represented during both Ms. Cook's and your contract negotiations. I asked Mr. Harris to inquire in both instances. It is my understanding that I have not received response from you in a previous request. I am requesting that Mr. Harris review the contracts to determine whether the contracts are in compliance with state law and objectively fair to the District from a financial standpoint.

Thank you.

Dr. Ruffin
